# Lallie Kemp Medical Center STERIS EQUIPMENT

To provide a full service & preventative maintenance agreement for the equipment described in this document for:

LSUHSC Lallie Kemp Medical Center

92579 Hwy. 51South

Independence,LA 70443

Effective07/01/2021

This contract is inclusive of all repair, planned periodic maintenance or inspections (PPM or PMI), Calibrations, labor and travel, and all parts. Replacement parts are to be new OEM parts- NO REFURBISHED OR REMANUFACTURERED parts. Scheduled maintenance inspections are to be made in accordance with the number given on the equipment list by each piece of equipment during contract period. Consumables are not included in this proposal except supplies needed to complete preventative maintenance services. Continuity of equipment repair and maintenance shall be upheld with the date of this agreement and with minimal disruption to patient services. Ata minimum, the OEM recommended periodic maintenance, repair, service, and/or periodic maintenance requirements are included with this proposal.

On-site contact:

LAK-BIOMED@lsuhsc.edu 985-878-1233 or 1234

#### **Hours of Service:**

- All work, including preventative maintenance and repair services will be performed during normal
  working hours of 8:00am to 5:00pm, Monday thru Friday, excludes the following holidays: Good Friday,
  Memorial Day, July 4, Labor Day, Thanksgiving, Christmas Day and New Year's Day.
- Work performed before or after these hours, weekends, or above holidays, will be charged at the rates and entered by the bidder below.

Overtime Rate Hourly \$
Weekends excluding Sunday's rate hourly \$
Sundays and Holidays rate hourly \$

If vendor is called to work at any of the above times, a separate purchase order will be issued on the next business day from the time the work was performed. Vendor should phone the Purchasing Department and speak to Margaret McIntyre, at (985) 878-1472 to make the department aware that a repair was done at one of the unusual times so that required paperwork can be retrieved from the Biomed department, and issue the vendor a PO so they can be paid for their services. Vendor must provide a copy of the signed service ticket from one of the Biomed personnel who assisted with the work, who can verify the work to the Purchasing Department at that time.

Any service or repair that is not covered by this agreement shall have prior approval and separate purchase order number from the LKMC CFO prior to any work being done. LKMC will not be responsible for any work done outside the scope of this contract without the above stated prior approval and purchase order, except as noted above in the event after hour, weekend or holiday call out, in which the vendor is to follow the above outlined procedure.

#### Preventative Maintenance Inspection:

The vendor is required to make comprehensive inspections during the agreement period with in-house assistance. This inspection will follow all manufacturer recommended procedures and frequencies of inspection(s) on the equipment which shall include, but not limited to, lubrication, and technical and mechanical adjustments, verification of proper operation, verification of operation of all safety devices, all parts, labor and travel associated with preventative maintenance inspection and schedule prior to the event with LKMC Biomed Department. Additional PPMs or PM is may be required, if the service records indicate, to achieve optimal equipment performance. Flexible schedules are necessary to minimize conflicts with patient schedules.

#### Repairs:

This contract shall also include repairs necessary to restore any failed equipment between the inspections with detailed equipment maintenance records. Repairs will be necessary whenever a machine is unable to function according to the original manufacturer's instructions and upon the request of LKMC. Vendor shall be available at jobsite within 4 hours of original call from LKMC. Telephone response is to be the hour of original call from LKMC. Should an onsite repair take longer than one business day, successful vendor shall-update the Biomed department of the status. Should the repair prove to be extensive, weekly progress reports shall be provided.

Electronic submissions of service reports are to be sent to LAK-BIOMED@Isuhsc.edu after each PM and/or service repair. Repairs should, if at all possible, be performed on-site. If outside servicing is the only choice, and LSUHSC/Lallie Kemp is expected to be the shipper of the equipment themselves, the contractor shall submit all shipping procedures that include the receiver's address, contact person, telephone numbers, specifications pertaining to return authorization numbers and any other pertinent information upon successful award.

#### Engineer & Housing:

All labor and required training necessary to maintain the unit to the manufacturer's specifications are to be provided by successful vendor. Vendor shall be factory trained on all equipment listed.

The contractor shall be solely responsible for provisions of repair, maintenance, diagnostic equipment/tools, and sufficient resources to fulfill the terms of this agreement.

#### Equipment Safety/Hardware and Software Enhancements:

The contractor shall be required to furnish and install OEM provided hardware and software enhancements or updates such as those that improve the ease of use by the user department, correct inherent product problems, correct or improve safety requirements, improve diagnostic capabilities for equipment failures or errors at no additional cost to the user department. This includes the following service as no charge: add/delete/edit IP addresses add/delete/edit AE titles, re-configure network settings and troubleshoot any dicom issues, set up networking and troubleshoot network issues. Vendor shall provide any other setup or networking services necessary on the equipment to interface with RIS/PACS at no charge.

#### Parts:

Vendor shall have the sole responsibility for obtaining all new OEM parts required to fulfill this agreement. LSUHSC/Lallie Kemp Medical Center reserves the right to specify new OEM replacement parts. If new OEM replacement parts are not available, the contractor may substitute replacement parts with the approval of the Director of Biomedical Engineering- Brian Smith. Any applicable warranty periods, pro-rated guarantees, or exchange rates shall be upheld by the service provider for all replacement parts, including applicable terms after the expiration date of the contract. Delivery of parts should be next day or room/device down situations.

#### Up-Time Guarantee:

The vendor SHALL provide LSUHSC- Lallie Kemp Medical Center with at least 98% reliability or better for the term of the agreement. This is less than 5 days of downtime for the year.

In the event the contractor is unable to repair the equipment to the manufacturer's performance standards within five (5) business days of the date of requested service, LSUHSC- Lallie Kemp Medical Center reserves the right to have them repaired by an authorized dealer and to charge the repair costs to the contractor. This requirement may be waived only when there is sufficient evidence that the required parts for the repair have been ordered, but have not been received by the contractor.

Provisions of priority service shall be guaranteed to LSUHSC/Lallie Kemp Medical Center that will support catastrophic failures or service events that exceed 48 hours. Downtime shall not exceed five (5) working days unless substantial proof is submitted by the contractor outlining unavoidable supply or parts availability circumstances that prohibits timely repair. The contractor shall be required to provide an on-site, qualified OEM or an OEM approved specialist to complete repairs and document operation verification procedures when repairs extend beyond 48 hours and/or recurrent or transient problems persist after repeated repair attempts. The contractor shall submit a well-defined technical or service event escalation procedure for repairs that exceed 48 hours or a recurrent or transient problem persists and repeated attempts have been unable to correct the problem(s).

#### Technical Support/Training:

The contractor/ vendor shall supply remote monitoring of equipment, unlimited clinical and technical phone/on-site support for facility's Bio-Medical and Department Staff. This would allow the facility to be first call for equipment problems that may be corrected by in-house personnel. The vendor will submit all necessary telephone and beeper numbers with the bid.

#### Service Qualifications:

The contractor shall provide qualified, experienced, and factory-trained to provide equipment repair, maintenance, and inspections. Contract service personnel shall be consistent and readily available to fulfill this agreement. The contractor must submit the following with the bid:

- Certification or proof of training of assigned personnel, specifying scope of and source of training
- Type of equipment assigned personnel can efficiently and effectively service and repair.
- Years of experience in performing both emergency and remedial service with specified equipment.
- Submission of qualifications of personnel providing direct repair and maintenance, if it changes during the contract period.
- Meet ISO 9001/2000 Industry Standard.

If the stipulations in this maintenance agreement cannot be met by the contractor, the contractor shall provide an OEM or qualified third party service provider at no charge to LKMC. Proof of certification is required to be submitted prior to work being performed.

The contractor shall be accountable for agreements or subsequent financial obligations entered into by OS the contractor with other service providers in order to fulfill the terms of this agreement.

#### Other Qualifications:

The contractor shall be required to submit quality assurance tests, operational verification procedures, service reports or any regulatory requirements per manufacturer, hospital, or departmental guidelines within 36 hours of the completion of the maintenance or repair event to the Biomedical department.

The Biomedical Control Number must be indicated on all submitted documentation. Documentation shall be submitted in one of three ways: Left on-site with the Biomedical department sent electronically to the Biomed department or faxed to 985-878-1580.

This contract shall exclude repairs due to abuse, water damage, and all acts of God.

Individual monthly prices shall be listed for each piece of equipment on the equipment list. Equipment listed on the equipment listing that is put out of service by LKMC, will reduce the monthly amount due to Vendor. Any new equipment purchased by LKMC can be added to the contract at any time at the monthly price stated on the bid for similar items. New equipment that is not similar to any equipment listed on the bid will not be added to this contract. In order to add or delete any new equipment, a written request will be made by LKMC to vendor and vendor will respond their approval in writing to LKMC Purchasing Department, stating the amount that will be added or deducted from the monthly amount. The base bid includes all repairs, maintenance, and parts, as stated in this bid proposal.

#### **Compliance Qualifications:**

The contractor shall be required to maintain and document compliance with LSUHSC/Lallie Kemp Medical Center guidelines (including Infection Control) of compliance with all applicable Safety regulations and accreditation pertaining to this bid. The program will meet or exceed all Federal, State, Local, CAH, CAP, AABB, and JCAHO requirements. Any requirement met with regards to the services provided under this agreement by the contractor shall cause the contractor to be liable for the cost of bringing those deficiencies into compliance.
